Those looking to set their inner artist free can do so now at Muse Paintbar, one of the newest additions to Patriot Place in **Foxborough**. The paintbar opened for business in December, combining step-by-step painting instruction with a bar and restaurant. Located at 217 Patriot Place, the shop offers public painting sessions with instructors teaching a different painting each time. There are also special events and opportunities for private parties.

Muse Paintbar is a new addition to Patriot Place.

NeighborWorks Southern Mass., a nonprofit whose mission is to support homebuyers through the process, has been awarded an additional \$100,000 in state tax credits from the state's Community Investment Tax Credit Program. The nonprofit, which has offices in Quincy, Brockton, and New Bedford, hopes that the additional credit will encourage an increase in private donations. Among the projects to benefit from potential donations would be a 12-unit apartment building under construction in **Quincy**, which will provide homes for veterans and their families.

The new South Shore BMW/MINI Dealership.

Integrated Builders, a Rockland-based general contracting company, has completed construction of a new BMW and MINI dealership on behalf of Gallery Automotive Group. The new dealership is located at 1040 Hingham St. in **Rockland** and includes space for more than 400 vehicles, more than 30 service bays, and

charging stations for electric cars. The dealership replaced the BMW Gallery of Norwell when it opened in early January.

Marie Peeler, CEO of Peeler Associates.

Marie Peeler, chief executive of Peeler Associates, announced last week that the company has completed a rebranding process that began in June. The company is an executive coaching and development firm based in **Pembroke** that instructs individuals and organizations on topics such as team building, leadership, and organizational improvement. The rebranding, the goal of which was to present a clear, succinct message across platforms, includes a redesigned website and a social media presence that reiterates the importance of leadership development. The company website now features a series of videos about Peeler Associates, a "Recommended

Reading" page, an expanded color palette, and a nature-based design. The company will celebrate its 10-year anniversary in 2015.

The Quincy Community Based Outpatient Clinic, a VA Boston Healthcare System affiliate that caters to veterans living south of Boston, is relocating. The clinic was based in Quincy Medical Center for 14 years but temporarily relocated to Brockton when the medical center closed. The new outpatient clinic will be located at 110 W. Squantum St. in **Quincy**. The 2,500-square-foot space will be shared with Magnet Community Health Care and will offer more space, public transportation accessibility, and renovated facilities. The clinic should move to the new space within a month.
